YEARBOOK

We are looking for a parent to take over the yearbook design this year. Mrs. Brown has done this with the help of several students for the past three years. She is still willing to help out, but needs to have someone else overseeing the design process. The app is already available for parents to start adding pictures. The first event we need pictures of is the homecoming parade. We are using the Entourage app again, our code is 86102. If you are able to help or have questions about it, please contact Mrs. Brown or Mrs. Bayer.

Accelerated Reader Prizes

We are starting a school-wide accelerated reader store this year. Kindergarten through 8th-grade students can take tests on the books they read in order to earn points through the AR program. They can then use those points once a month to purchase items from the AR store. We need your help accumulating prizes for the store. There is a box on the counter in the office where prizes can be dropped off.

Examples of items that could be purchased: Stickers, fun school supplies, small toys, new books, craft/art projects and supplies, gift cards to local businesses (\$5-\$10). Some larger prizes are needed, check with a teacher first to help with these.
