This summer I will be working on plans for our class trip for the spring of 2026. I plan to return to Kentucky to visit the Ark and the Creation Museum. I would like to go for three or four nights this time. We will add in one more thing to do, I'm just not sure what yet. I will send a few emails out over the summer to talk about dates and fundraisers, and to see which parents are interested in going.
